

# INTERVIEW SKILL TRAINING

for new and experienced job seekers with autism and similar profiles who are seeking competitive employment

## sessions include

- eight interactive coaching sessions of 1-hour each
- resume review with written suggestions
- two mock interviews
- specific feedback throughout the sessions
- handouts and resources to help keep you on track

## what you'll learn

- what to expect when interviewing
- strategies to answer common interview questions
- how to manage tricky situations like job loss and making eye contact
- how to research companies you're interested in
- what to wear, what to bring, and body language
- how to highlight your skills
- how to project confidence
- right and wrong questions to ask an interviewer
- strategies for disclosure decisions
- how to create a plan to continue improving skills

Fee: \$800 for eight sessions located in area libraries.
